

## Management System Policy

Meeting the aspirations and strategy of Yusen Logistics Group to become a global logistics operator of the first choice, the top priority of Yusen Logistics (Polska) Sp. z o.o. is the management of the global supply chains of our Clients by satisfying their quality requirements, whilst ensuring the health & safety of staff and protecting the confidentiality, integrity and availability of business information.

We do this by:

- ✓ adhering to the law, and other requirements relevant to our business,
- ✓ monitoring the market and economic environment to ensure business continuity for our Clients,
- ✓ preventing quality inconsistencies, accidents at work, occupational diseases, potential accidents and security incidents,
- ✓ systematically improving the professional qualifications of staff and raising their awareness of quality, occupational health & safety, and information security,
- ✓ formulating the belief that each member of staff is responsible for quality, occupational health & safety, and information security,
- ✓ continuous improvement of the effectiveness of the Management System in accordance with the following standards: ISO 9001:2015, OHSAS 18001:2007 and ISO/IEC 27001:2013.
