

YUSEN LOGISTICS BENELUX IS LOOKING FOR A:

WAREHOUSE SUPERVISOR

LOCATION: MOERDIJK

Yusen Logistics is working to become the world's preferred supply chain logistics company. Our complete offer is designed to forge better connections between businesses, customers and communities – through innovative supply chain management, freight forwarding, warehousing and distribution services. As a company we're dedicated to a culture of continuous improvement, ensuring everyone who works with us is committed, connected and creative in making us the world's preferred choice.

Yusen Logistics Benelux has branches in The Netherlands, Belgium, Luxembourg and Sweden. We have about 750 colleagues working on these locations.

What's the job about:

The warehouse supervisor ensures the effective and correct functioning of the warehouse operation and optimal service to our customers.

- Coordination and performing operational activities according applicable Standard Operation Procedures (SOP)
- Responsible for optimal productivities and staff planning
- Responsible for all warehouse related matters
- Planning daily work and manage the warehouse employees
- Executing and ensuring optimal execution of the warehouse processes/operational activities
- Monitoring procedures are optimally executed, optimize the process and ensure procedures are up to date
- Maintaining new and existing (customer specific) work instructions
- Tuning and cooperating with the Warehouse Manager in case of irregularities and/or escalations
- In cooperation with the Warehouse Manager ensuring the compliance of procedures concerning safety, ARBO, ISO, the company emergency plan and other internal and external regulations
- Ensure safe and responsible use of material handling equipment
- Conducts job evaluations, appraisal conversations and PDR
- In case of absence of the Warehouse Manager executes tasks to ensure continuity of daily business and act as his substitute
- Order warehouse consumables within contractual agreements through purchase orders in MSDynamics
- Motivates the staff and ensures a positive atmosphere

Who are we looking for:

A great colleague who possesses following qualities:

- Relevant MBO degree
- Managerial capabilities
- Labour planning
- Knowledge and experience with warehouse activities
- Experience with managing staff
- Experience with MS Office
- Specific Excel knowledge to register productivities and capable of making analysis and improvements
- Excellent verbal and written proficiency in Dutch and English
- Good communicator, on different levels

- Accurate
- Service minded and purposive
- In-depth knowledge of logistic processes
- Ability to perform under pressure
- Problem solving ability
- Successful participation in MSDynamics training P2P

Why Yusen Logistics:

We have a lot to offer to the right candidate:

- An informal and international working environment
- Excellent primary and secondary conditions, with respect for work-life balance
- The opportunity to grow

Could you be our ideal candidate?

We're looking forward to receive your CV and motivation letter:
